TO WHOM IT MAY CONCERN:

The purpose of this letter is to acknowledge with appreciation the efforts of Commie Johnson and Johnson-Lee Construction. They were the builders of our District One office, which is located in Summerfield, North Carolina. From the beginning, the Johnson-Lee Construction team were true professionals, stayed within the budget and came in on time. They worked with our staff on a daily basis and were receptive to our needs and expectations. The building itself was completed in a manner that required very little oversight. They used first class materials and workmanship. They produced a building for the county that will serve us well in the future. This stick built building had a very short punch lists of any flaws, again to the credit of Johnson-Lee Construction. This company was a joy to work with and I would happily work with them again in the future.

With appreciation,

BJ Barnes  
Sheriff of Guilford County
